

THE TELI ADVANTAGE

- Small class size.
- Children able to separate from parents in a fun and safe learning environment with a staff of dedicated professionals.
- Rolling admissions.
- 50 years of experience as a leader in the field of early childhood education.
- Strong focus on communication skills.
- Curriculum translates into lessons parents and students can practice together at home.

**Preschool Program
for Two-Year Olds**

*Serving Children of All
Abilities For Over 50 years*

Our History

Established in 1958 and later incorporated as St. Peter's Child Development Centers, The Early Learning Institute has always focused on helping children to realize their full potential.

The curriculum at The Early Learning Institute's (TELI) preschools is based upon proven approaches to help children grow socially and academically. Our programs support every young child as an active learner, with degreed staff in a structured setting.

Our Mission

The Early Learning Institute helps children aged birth to 5 to realize their full potential through comprehensive, individualized early intervention and early childhood education programs.
