*Believing in the Possibility
of Every Child*

The Early Learning Institute does not and will not discriminate against any student, employee, applicant, or any other person because of race, color, religious creed, ancestry, national origin, age, sex, veterans status or handicap.

Our History

Established in 1958 and later incorporated as St. Peter's Child Development Centers, The Early Learning Institute has always focused on helping children to realize their full potential.

Our services are designed to meet the needs of children from birth to age 5, providing early intervention services to establish a firm foundation for successful learning.

Our Mission

The Early Learning Institute helps children to realize their full potential and enriches the lives of children and their families by:

providing comprehensive programs and services for children with developmental delays in an inclusive environment;

providing individualized developmental and preschool programs and services for children of varying abilities; and

collaborating with other community organizations to carry out these missions.

Harmony Learning Center

Harmony Learning Center (HLC) is a fully-licensed day care center for children aged 18 months to five years of age. HLC provides an educational environment for children of all abilities to learn and grow through a variety of activities.
